American Airlines

As the world's largest airline, American Airlines continues to grow around the globe with nearly 6,700 daily flights to more than 350 destinations worldwide. American Airlines' multi-billion dollar

investment to improve your clients' travel experience has resulted in network growth and major product enhancements, both on the ground and in the air. Throughout all cabins, your clients will experience the latest in on-demand entertainment with over 1,000 hours of movies and TV shows right at their fingertips, power at every seat, plus Wi-Fi and live TV streaming to ensure they stay connected to news on the ground while at 30,000 feet.

British Airways

As the UK's national flag carrier, British Airways continues to pride itself on its exceptional quality and unrivalled level of service. Whether in the air or on the ground, British Airways offers the widest possible choice and utmost comfort, whichever class your clients' choose to fly. In Economy Class, they'll experience a stylish cabin with luxurious seats and complimentary drinks and meals, or they can upgrade to World Traveller Plus to enjoy a wider seat, extra legroom and upgraded amenities and meals. If they would like to experience the comfort of British Airways Club World or First Class cabins, they can relax with fully lie-flat seats, each with direct access to the aisle.
